

Get 50% off this Multipipette® M4 dispenser in the Eppendorf eShop⁽⁶⁾

Precision in Every Drop

Enjoy this offer, available October 1 —December 31, 2023

Say goodbye to tedious, long serial pipetting tasks! The Multipipette® M4 in combination with Combitips® advanced dispenser tips from Eppendorf is ideal for repetitive dispensing of volumes in long series, even viscous or volatile liquids that are difficult to pipette.

- > Light and ergonomic —perfect for large or small hands
- > Weight is well balanced for fatigue-free handling
- > Stress-free work via integrated step counter
- > Combitips advanced are ACT®-certified; a great choice for lab sustainability

Eppendorf eShop offer: Get 50% off this Multipipette® M4 dispenser when you buy 5+ selected Combitips⁽⁶⁾
